A photograph of a kitchen sink area. On the left, a stainless steel sink is set into a light-colored, veined marble countertop. A modern, curved stainless steel faucet is mounted on the sink. To the right of the sink, a potted plant with long, green, pointed leaves sits on the countertop. The background features a window with white horizontal blinds. A dark grey semi-transparent overlay covers the right side of the image, containing white text. The text is enclosed in a white L-shaped frame.
